

**Product:**            **Anti-*Escherichia coli* 0157:H7 (LPS)**  
**Catalog #:**        **13-6400**  
**Amount:**           **50 mg**

---

**CATEGORY:**                    **Rabbit Polyclonal**  
**IMMUNOGEN:**                Lipopolysaccharide from *E. coli* serotype 0157:H7  
**FORM:**                         Affinity purified liquid in PBS, pH 7.5 containing:  
                                      0.5% BSA and 0.1% Sodium Azide as preservative  
**CROSS-REACTIVITY:**        E. coli 0157:H7                    100%  
                                      E. coli 055:B5                    <100%  
                                      E. coli 026:B6                    <6%  
                                      Klebsiella pneumoniae         <1%  
                                      Serratia marcescens            <0.4%  
                                      No cross-reactivity observed with LPS of *E. coli* J5  
**DILUTION:**                    minimum 1: 50  
**STORAGE:**                    2-8°C for immediate use, or at -20°C (aliquot)
